Mike App has extensive experience in family office services and investment management of both publicly traded and private equity portfolios. A desk jockey in the banking and investment industries since college, he finds fulfillment helping families and foundations create, safeguard and position wealth to accomplish goals. Mike is responsible for family office services, investment management operations, wealth creation and preservation, and is actively involved in new business development.

When Mike is not in the office or spending time with clients, he enjoys eating ice cream at his wife's shop, eCreamery, in the Dundee neighborhood of Omaha, traveling and eating out with his wife and friends, trying to keep up with his two young sons, fly fishing and playing tennis.
